

Welcome to Year 3

Welcome to our class webpage.

We will endeavour to update learning, activities, homework and general class notices on a regular basis, and I look forward to sharing lots of photographs with you, showing what we have been discussing and working on in class.

This term we are focusing on Forces in Science, the Anglo-Saxon invasion of Britain in History and we will also be studying Jesus, the man who changed lives in RE. Please feel free to carry out research with your child about any of these topics.

We will be looking forward to taking part in our very first Public Speaking competition – there is a letter about this under the 'Current Homework' tab. These speeches need to be in school during the first two weeks of our next half term, in readiness for the final at the end of March.

Mrs Shrewsbury

Year 3 Class Teacher
