21st December 2018

Thank you so much to everyone for their Christmas greetings and cards. Also thank you for presents and staff room goodies for all the staff. We honestly don't expect presents, as we are doing a job we love, but a big thank you for all your thoughtfulness.

We wish you all a very happy, peaceful and joyful Christmas at this special time of year when we remember our God with us.

School opens on Thursday 3rd January

A special thank you to all those who have been ambassadors for the school over the last few weeks. The choir deserve a special mention, together with Mrs Shrewsbury and the team of teachers supporting her. They have been stunning!

Year 6 readers and performers did such a great job at the Carol Service.

The Year 3/4 performance 'What does Christmas mean to me?' was excellent and the biscuits made by Year 5 for the performance were excellent quality and raised money for charity.

And the nativity from our younger children put a smile on everyone's face.

So you can see, it has been busy for everyone and all have done well!

THANK YOU!

We have raised £843.50 for Brian House with our recent fundraising events, as well as £631.33 for school from the raffle.

FUTURE DATES FOR THE DIARY

Monday 7th January 7pm

All Year 6 parents

Important meeting to discuss Winmarleigh and SATs.

Future dates and clubs are on the school calendar which is linked to both the App and school web-site.

Unfortunately, Wyre council's meter contractor has been having some issues and hasn't yet been able to provide the necessary upgraded software for the car park meters by December as planned.

Therefore rather than reissue permits, they will honour any current permit (dated until end of December 2018) until the end of the school year or to when the upgrade has been put in place.

The CEOs have been informed of this and won't issue PCNs to anyone with a current permit.
