5TH JULY 2019

School dinners

A big thank you to Mrs Hornby, Mrs Downe and Mrs Burnell for all their hard work in the very hot kitchens this year. We have had an amazing number of specials too.

Our dinners have stayed the same price for many years but from September the cost of school dinners will be £2.30.

There are two hot dinner options daily as well as a baked potato option and a sandwich selection and there is always a varied salad bar where children to help themselves to as much as they want.

Please let us know if you want your child to always choose from the hot options.

Also if you wish to cancel your milk please access the Cool Milk web-site.

Social media

We have been made aware of various inappropriate social media postings by parents recently. Rather than putting posts on social media making allegations about adults or other pupils, please ask to speak to Mrs Potter. We are keen to support in sorting out any school related matters about which you have any concerns about school related matters,

Thank you.

Earrings

If you are planning on having your child's ears pierced, please can you arrange it as soon as possible after 19th July, so that their ears are healed before September.
Pupils have to remove their earrings for PE, sports and swimming.

Children should only wear plain studs to school.

Thank you.

Children have enjoyed their transition morning with their new teachers and the teachers were very impressed with how ready the children appeared to be for their next class!

Please note that only book bags need to be brought to school on a daily basis in juniors. Please do not feel you have to buy a new bag. Any replacement bags should be the same messenger bag style as a book bags we don't have space for rucksack style bags on pegs. Thank you.

WELL DONE!

Please see the link on the school app about Operation Encompass. This informs you of the way the police are working with schools to ensure appropriate support is in place for our pupils who are subject to witnessing domestic abuse. If you would like to speak personally to Mrs Potter (Designated Senior Lead for Safeguarding), please feel free to make an appointment,.

Year 6 in action with circus skills and anti-bullying workshops.

Year 5 and Year 6 recently learnt First Aid procedures.

Anti-bullying Workshops

All children participated in this day.

This is some of what they learnt:

Bullying is an ongoing way of making people look and feel bad,
that carries on for days and days.

Bullying isn't wanted.

Some people don't realise how much it effects others.

Don't shut others out of games

Never judge people by how they look on the outside

.Children have the power to help each other to stop others feeling got at.

Children can prevent bullies bullying.

Always look out for others who are feeling bad.

100 CLUB

Recent winners

July £50 draw winner is no. 19 C. McNicholas

June £10 draw winner is no. 22 C. McNicholas

Congratulations!!

You have got to be in it to win it!

**If you would like a chance and at the same time support school,
please call in at the office or speak to Mrs Wright.**
