

Seals Spring 1 Homework

This half term we are learning about India

Below are ways you can support your child's learning. You can send in homework as it is completed. Please note you can choose which activity you complete. There is no set way of completing a task, so be as creative as you wish!

- Can you create a model of the Taj Mahal?
- Write a postcard as if you were on holiday in India.
- Write a diary entry from someone your age from a small town in India.
- Design your own Rangoli pattern.
- Try different foods from India and record what you like or don't like.
- Find 5 interesting facts about India.

Maths:

- Recap all your number bonds to 10 and 20.
- Learn your 2 times table.
