Opening Hours

Monday - Friday 9.30-5.30

Saturday 9.30 - 5.00

Closed - Sunday and bank holidays

Due to the COVID - 19 VIRUS we are closed at the present. We will be opening as soon as the government gives permission. We are hopeful this will be June 15th. We will be implementing strict social distancing procedures and there will be some changes to the way we conduct our business.

We will only be allowing 1 adult and accompanying children to enter the store at one time and there will be limits to the total number of customers in store at any time. Please do not bring anyone not needed as this will prevent other customers from entering store. Children will need to be under their parent/guardian strict supervision at all times. Everyone will be expected to use hand sanitiser on entering the store and to refrain from visiting if experiencing any COVID - 19 symptoms. Once in store please try to keep to the two-metre social distancing rule.

Children should come dressed in garments that aren't too bulky, so that uniform items can be easily tried on over the top (e.g. leggings, vest tops).

When we open we anticipate a larger than normally expected number of customers with an increase as we approach the return to school in September. We would advise that this year it is more important than normal to visit us early if you want to avoid a long wait.

We have introduced a new pre order and collect system which is useful if you know your requirements. This is accessed on the order page. We will then contact you to arrange payment over the phone and to agree a day for collection. There will be a dedicated collection point at the rear of the store.
