

## SPAR Lancashire School Games

### Stay at Home Heroes - Volleyball

Challenge yourself, and your friends, to see who can gain the most points in our Volleyball Challenge '**Bottoms Up**'. The school with the most entries will win a Lancashire School Games t-shirt for each child and the individuals from KS1, KS2 and KS3/4 with the highest score and best technique will win a Lancashire School Games PE bag, water bottle and t-shirt.

How to;

With a balloon or a ball, how many times can you sit down and stand up whilst keeping the balloon or ball in the air in 60 seconds? Your bum must touch the floor for one point and you must be fully standing for one point. Remember you can use any part of your body to keep the ball in the air, even your head! Should you lose control of the balloon/ball then start again from a standing position but this will not count as a point, but be quick because the clock will still be running!

KS1 = Balloon

KS2 = Beach Ball (If you've not got one then just a ball)

KS3/4 = Ball

To make it;

- Easier – Add more air to your balloon or beach ball. KS3/4 Use a larger ball.
- Harder – Only use hands rather than any body part
- Inclusive – try it seated and try to touch the floor with either of your hands whilst the ball is in the air. How many times can you touch the floor?
