Preloved School Uniform – contact friendsofstchadsshop@outlook.com

The Friends of St Chads run a preloved uniform service, covering almost all items of school clothing including PE Kit, pumps, coats & wellies. Although primarily run as a service to families rather than a one-off fund-raiser, this service can generate a lot of money for the school and save families much more.

All items for sale have been carefully checked to ensure they are in good, clean condition and any names have been removed. Some items may even be brand new! Buying school uniform through our shop means you can buy several school outfits at a bargain price of £1 per item and not have the worry of items being lost or getting them dirty as you could have multiple uniforms to hand.

ORDERING

To place an order, please email friendsofstchadsshop@outlook.com or visit our Facebook page @friendsofstchadsshop. Upon receiving your order, we will respond to confirm we have the items in stock, confirm payment and arrange collection. If any items are not currently in stock, we will add your contact details to our waiting list and do our best to notify you if these become available.

We are able to take orders all year round as the stock is held away from the school. Please note, in the school holidays, collection will not be from school.

We ask payment is made by cash and the correct money is placed in an envelope marked **Preloved Uniform** along with your child's name & year group.

Should any items be incorrect, please contact us by email to organise an exchange.
