

Maths – Number bond to 10

Make 5 double sided flash cards with the number bonds to 10 – Post-it notes are a good resource to use.

Card 1 – 0 and 10

Card 2 – 1 and 9

Card 3 – 2 and 8

Card 3 – 3 and 7

Card 4 – 4 and 6

Card 5 -5 and 5.

Welcome to Seals!

Show your child one side of the card and ask them to tell you what is on the other side of the card to make 10.

Optional - Make double sided cards using number bonds to 100 (60 and 40 etc).

English

Read your favourite book, use the template provided to review the book.

Please write in full sentences, using punctuation correctly.

All About Me

I am looking forward to getting to know you all and your individual personalities.

Please complete the All About Me booklet provided.

Topic

Our first topic is 'A journey to where/The frozen planet'. I would like you to find out who Earnest Shackleton is and write facts about the South Pole.

This can be handwritten - Please write in full sentences, using punctuation correctly.

Please continue to read throughout the holidays.

Have a great, fun packed summer!
