6. Review of expenditure (To be completed on review)

i. Quality of teaching for all

Desired outcome	Chosen action/ approach	Estimated impact: Did you meet the success criteria?	Lessons learned (and whether you will continue with this approach)	Cost
<p>All pupils to access high quality curriculum provision.</p> <p>This will be achieved through SLA with W&FSSP. This will support staff with new scheme of work and develop CPD of staff.</p> <p>All children will receive high quality teaching and learning, one half term per year group.</p>	All year groups to have half a term with Fleetwood Town coaches.	<p>KS2 classes had access to the CPD support from Fleetwood Town. Staff said they felt more confident in delivering the specific area of the curriculum, data from staff evaluation was 100% positive.</p> <p>Due to the closure of school following the coronavirus outbreak, this programme did not take place for KS1.</p>	This will continue in 2020-21. Our priority will be providing the children with the social, emotional and physical skills needed due to the coronavirus pandemic. Each class will receive a half term CPD team teach that is carefully planned for 2020-21.	<p>Half termly – Subject release Time.</p> <p>Wyre SLA - £6000</p> <p>Fleetwood Town (Including lunch coaching) - £5000</p>
<p>The majority of pupils in both Key Stages to access additional sports clubs. This will be achieved by providing sports clubs that are of children's interest. Parents to be notified as soon as possible to ensure higher attendance.</p>	Afterschool clubs have been chosen within discussion with year groups. CS to regularly update google calendar and continue to use ParentApp.	<p>Parents feedback from the APP and regular updated calendar has been positive.</p> <p>Due to the closure of school following the coronavirus outbreak, not all extra-curricular clubs were able to take place.</p>	Sports clubs for 2020-21 will be tailored to suit children's needs and interests by using a questionnaire. However due to the restrictions and guidelines of Covid -19, this may impact potential clubs and number of participants.	Yearly £495 for new assessment app.

Pupil premium children to be given opportunities to develop PE skills.	PP children to have access to high quality teaching intervention.	Due to the closure of school following the coronavirus outbreak, not all extra-curricular clubs were able to take place.	Using data from 2019-20, teachers to identify children who need support with skills and confidence in PE. These children will then form an intervention group.	Half termly. Welfare meeting Jan 2020, new playground games discussed.
Sports Coach to engage with more pupils. Sports Coach will deliver activities based on a 2 week timetable, this to be in agreement with PALs and PE lead.	CS/Fleetwood town coach to agree a weekly activity timetable.	A timetable was put together by CS and coach to ensure activities matched children's interests and abilities. We found that more children engaged with the additional sport when they knew what activity or game was being played.	Sports Coach has been employed 3 times a week to provide additional structured activities during lunchtimes. Timetable to be put together.	

ii. Other approaches

Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria?	Lessons learned (and whether you will continue with this approach)	Cost
Improve active learning in other areas of the curriculum	To continue to sign up to MOTD	Success Criteria was met.	This is now sustainable and widely used across school. Staff are confident in using physical activity as a way of improving maths activities.	£495
To develop the daily mile across the whole school.	Staff to timetable in the daily mile – this to be in agreement with class teachers.	Some classes adopted the daily mile well and each child tracked their progress. Each child's personal best was celebrated and 90% of the children saw a decrease in time taken.	Daily mile initiative to continue next year, expectations to be set to ensure each class participates.	£500 (Supply cover costings) Each year group has been given a whole class tracking sheet.
Staff CPD and confidence in delivering updated SOW.	CS to timetable sessions with KS1 teachers to ensure new staff are confident with assessment of SOW.	Lesson observations were done with KS1 classes. Teachers are getting more confident with the teaching and assessment of FMS.	This to continue next year – in light of new KS1 units. As children were unable to complete the full years Scheme of work, this will have impacted the mastery of the FMS. Therefore, this needs to be a priority next year for KS1.	Termly.

<p>To develop OAA within our school grounds.</p>	<p>To ensure all school grounds are used and re sourced appropriately.</p>	<p>Due to the closure of school following the coronavirus outbreak, this programme did not take place.</p>	<p>Target to be considered for 2020-21.</p>	<p>£3000</p>
<p>Transport for children to and from events during curriculum time.</p>	<p>Transport to be arrangement as needed.</p>	<p>Transport provided to and from events enabled more children to attend and is more convenient for staff and parents.</p>	<p>Target to continue next year – however this may need to be adapted in line with government guidance.</p>	<p>Summer 2020 Estimated cost £600</p>
