### Reading Books

The reading books your child is given to bring home are levelled.

When your child reads their levelled reading book at home could you please write the numbers of the pages they read in their reading record along with how they read, if they enjoyed it and any other observations you wish to note.

If your child is reading other books at home these could also be noted in the reading record.

In Turtles class we consider reading at home to be extremely important. Please read to your child books above their reading level as much as you can. This introduces your child to a wide range of vocabulary which in turn aids their own reading ability.
