

Wiz Khalifa "See You Again" (feat. Charlie Puth)

Solo 1

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

Unison

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Rap Group 1

Dang, who knew?

All the planes we flew

Good things we've been through

That I'll be standing right here talking to you

'Bout another path

I know we loved to hit the road and laugh

But something told me that it wouldn't last

Had to switch up

Look at things different, see the bigger picture

Those were the days

Hard work forever pays

Now I see you in a better place

Unison

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

Solo 2

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

Unison

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Ah, Ah, Ah, Ahh.

Ah, Ah, Ah, Ah-ah-ah-ah

(Oooo)

Rap Group 2

First you both go out your way

And the vibe is feeling strong

And what's small turn to a friendship

A friendship turn to a bond

And that bond will never be broken

The love will never get lost (and the love will never get lost)

And when brotherhood come first

Then the line will never be crossed

Established it on our own

When that line had to be drawn

And that line is what we reach

So remember me when I'm gone

Unison

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

Solo 3

So let the light guide your way, yeah

Hold every memory as you go

And every road you take, will always lead you home, **(Unison)** home, **(Unison)** home.

Unison

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

when I see you again

Ah, Ah, Ah, Ahh.

Ah, Ah, Ah, Ah-ah-ah-ah

(Oooo)

Ah, Ah, Ah, Ahh.

Ah, Ah, Ah, Ah-ah-ah-ah

(Oooo)
